

Edina Kishonthy, MFT
Sliding Scale Fees

For clients without insurance, I have a sliding scale system to establish the fee per session. Annual household income is determined based on the client's most recent federal income tax filing.

CLIENT'S ANNUAL NET HOUSEHOLD INCOME	FEE PER SESSION
Under \$25K	\$40
Between \$25K and \$40K	\$50
Between \$40K and \$60K	\$60
Between \$60K and \$80K	\$70
Between \$80K and \$100K	\$80
Between \$100K and \$120K	\$90
Between \$120K and \$140K	\$100
Between \$140K and \$160K	\$110
Between \$160K and \$180K	\$120
Above \$180K	\$130
